“Alsace & Chablis”

These two areas of northern France are renowned for their white wines. The dry, flinty style of Chablis contrasts beautifully with the richly aromatic wines of Alsace.

We'll look at the effect that the geography and history of the two regions has had on the wines that they produce.

Wines from: *Jean Durup, Domaine Christian Moreau, Domaine Bruno Sorg, Domaines Schlumberger and Cave Vinicole de Hunawihr.*

£25.00 per person
